Start

"Every morning you have two choices: Continue to sleep with your dreams, or wake up and chase them."

The clock is ticking, your state of dreaming is slowly passing away, and the time has come. What time? Well that all depends on one thing. What is time? You know what, just scratch that... Question for another time. Well either way, the alarm is ticking as i said. Aren't you going to turn it off?

Are we? → Snooze or Jump out of bed

The snooze path

Snooze

"Lose an hour in the morning, and you will be all day hunting for it."

Ahhh your a dreamer aren't you? You would rather stay in the dream world, then to live it? Well I see how it is, or as PJ would say it: "It's life"

Go to sleep

"It is never too late to be what you might have been, or is it?"

clap clap clap, well done buddy. Hope that dream was worth it. Well look at that, can you tell me what time it is? That was a rhetorical question my guy, so just shut the fuck up. The clock is fucking 7.30, and when does school start? You never learn, that was also a rhetorical question. It starts at 8.30. So no breakfast for you, just put on some clothes.

Cargo and t-shirt or Jeans and hoodie

"Life isn't perfect but your outfit can be."

Hahahaha, that's what you are going to wear? I guess he was right, your choice in clothing is the same as your life choices. Absolute trash. Sorry to say it though, but you know... Someone had to. Now all you have to do, is to get to school. But since you woke up late you can't drive to school. Funny right? So what's it gonna be the subway or the bus?

Subway or bus

Bus way

"Sometimes it's good to miss a bus. It might be the wrong bus."

What a fine choice... The bus comes in 4 minutes, so you better start running. Hope you took those running classes you bought earlier. Who am I kidding, of course you didn't.

Run

"ohhhhhh shit" (car crash sound)

Wow you didn't learn anything did you? You really thought that was the way to go, didn't you look at the hints? Dumb question I guess. Well, don't just lie there - stop the bleeding with your hand buddy. You really think that guy in the car, is going to help you?

Wait for the driver or Stop the bleeding

Wait for the driver

"Don't depend too much on anyone in this world. Even your shadow leaves you when you're in the dark."

Hahah would you look at that, the driver ran off. Who would have seen that coming? Easy question, I DID! Either way, i'll see you later buddy. Maybe next time, you won't hit the snooze button?

Get another chance → Loop back to Start

Stop the bleeding

"It's not the good that dies young, it's the lucky."

Buddy, that's too much to stop. But i like your optimism. Sadly, life doesn't doesn't help people just because they are optimistic. But nice try though.

Get another chance → Loop back to Start

Subway way

"The problem is not to find the answer, it's to face the answer."

What a fine choice. Still going to be late for school, but not much to do about that. Should we put on some music?

It's my life - Bon Jovi or Demons - Imagine Dragons

Demons - Imagine Dragons

"When the lights fade out, all the sinners crawl"

Gotta give you some props on your music taste, but either way I guess there is nothing more to then to just look at other people on the subway. It's going to be a long trip to school. So you have a lot of thinking to do, don't you?

Wait

It's my life - Bon Jovi

"It's my life, it's now or never, I ain't gonna live forever."

Gotta give you some props on your music taste, but either way I guess there is nothing more to then to just look at other people on the subway. It's going to be a long trip to school. So you have a lot of thinking to do, don't you?

Wait

Wait

"Somewhere, something incredible is waiting to be know. Or something bad, I don't remember."

"Doors opening" Nice, you know how to walk out of the door. Just start walking to school buddy. Wait who are those guys running towards you? Well I know, I'm just asking you buddy. Ohh you don't remember do you? Guess, it's too late to tell you now. Maybe you should hide?

Hide or Just keep on walking

Hide

"When there is nothing left to hide, there is nothing left to seek." (Slicing sounds)

Ohhh wow. That must have hurt? A little stab in your belly can't be dangerous. Hahah just kidding, you are probably going to die. But who are you to blame? Me? Really? I don't think so buddy, this is all on you. Maybe next time, you shouldn't hit the snooze button. Your lucky I like you, i will give you another chance. Just promise me to not fuck this one up.

Get another chance → Loop back to Start

Just keep on walking

"We all - in the end - die in medias res. In the middle of a story." (Slicing sounds)

Ohhh wow. That must have hurt? A little stab in your belly can't be dangerous. Hahah just kidding, you are probably going to die. But who are you to blame? Me? Really? Early path

Jump out of bed

"The best way to make your dreams come true is to wake up."

Wow, a man of culture. Isn't always you meet a guy like that. But, i still cant believe you skipped that dream, that girl was hot. Either way, remember that waking up every day is a blessing, not a privilege. Don't take it for granted buddy. But shower or not?

Take a shower or Don't take a shower

Take a shower

"Best ideas come in the shower."

Finally a person that enjoys showers, last guy didn't. May be the reason for that musty smell in the air, who knows? Well I do, so retorical question. Either way, what are you waiting for - go ahead buddy.

Shower

Shower

"Long showers, loud music and deep thoughts."

Did you enjoy that hot shower? Not as hot as the girl in the dream. Haha, I'm going to stop reminding you. Don't just stand there, put some clothes on. I don't have all day, or do I? Question for another time I guess.

Don't take a shower

"Crusty, dusty and musty."

Just like the last guy, what the fuck. What is it with you people and not showering, please don't tell me your one of those "save the planet" people. I'm not the one to judge, but your the reason i had to wear a mask to school. Well get to work, put some clothes on. I dont have all day, or do I? Question for another time i guess.

Take clothes on

Take clothes on

"Life isn't perfect but your outfit can be."

What a fine choice in clothes, the last guy had a terrible taste. But you probably already know that don't you? Again, that was a rhetorical question, so don't answer that. *ring ring ring*, oh shit the phone i calling. Who could that be? Ohh, the person has a unknown number. That's kinda sketchy.

Answer the call or Let it go to voice mail

Answer the call

People who creates
their own drama,
deserves their own karma.

Hang up

Hang up

"Life is too short to be normal, embrace the weird."

Did you feel that? I guess you did, but do you remember him? Nevermind, scratch that. It was probably nothing, eat some problems, I mean breakfast. You like breakfast don't you?

Cereal or toast

Let it go to voice mail

Are you really not going to answer that? Are you sure buddy?

I'm sure or Answer the call → loop to (answer the call)

I'm sure

"Expect problems and eat them for breakfast."

I really thought we had a good thing going on but okay. Let's eat some breakfast before school starts, sadly I won't be able to join you since... well you get the point.

Cereal or Toast

Cereal and Toast

"Breakfast is the most important meal of the day."

Huh. Didn't expect that. Hope it tastes good at least. By the way, you don't have all day school is starting in half an hour. Wanna drive to school or take the subway?

Drive to school or Take the subway

Subway way

"The problem is not to find the answer, it's to face the answer."

Excellent. Such a boring choice. All you do on the subway is listening to music, and staring out the window or at your phone. I'm probably just mad, since it wouldn't be a thing I would pick. But you aren't me... What should we listen to today?

Ross Capicchioni - Joyner Lucas or No Role Modelz - J. Cole

Ross Capicchioni

"He dapped me up, he started tellin' jokes the whole ride there. Had me crackin' up."

Gotta give you some props on your music taste, but either way I guess there is nothing more to then to just look at other people on the subway. It's going to be a long trip to school. So you have a lot of thinking to do, don't you?

Zone out

No Role Modelz

"Fool me one time, shame on you. Fool me twice, can't put the blame on you."

Gotta give you some props on your music taste, but either way I guess there is nothing more to then to just look at other people on the subway. It's going to be a long trip to school. So you have a lot of thinking to do, don't you?

Zone out

Zone out

"Observe the space between your thoughts, then observe the observer."

Do we have a criminal on our hand? Did you forget to buy a ticket, or just didn't want to?

Buy a ticket or Don't buy a ticket

Buy a ticket

"Half the time you think your thinking you're actually listening."

Would you look at that? The control just came on the subway, good thing you bought the ticket. NO FINE FOR YOU! Haha just kidding, well i'm not kidding about the no-fine part, but the screaming. Well this is your stop either way so lets go to school.

Go of the subway

Don't buy a ticket

"Once you develop that 'it is what it is' mentality. A lot of stuff stops bothering you."

So the saying was right; once a criminal always a criminal. Oh would you look at that, the control comes on. Looks like you will get a fine, no point running from it by the way. Your just going to get yourself in more trouble. Your going off on this stop either way.

Go of the subway

Driving way

"Never drive faster than your guardian angel can fly."

Outstanding choice, nothings better then starting the day with car ride. Just gotta drive out of the drive-way

Drive out

Drive out

"Your best teacher, is your last mistake." (crash sound)

Oh what was that. Did you crash into something? Hmmm probably nothing, just start driving to school buddy. Should we put on some music?

Weak - AJR or I've been waiting - Lil Peep

Weak

"No thank you is what i should have said, I should be in bed."

Your music taste is just on point i got to say. We are soon at your school either way. Scratch that, we are here already. Just park in the parking lot.

Park the car

I've been waiting

"Break my heart but don't tell me I'm not doing fine. Let me go I'm spending time."

Your music taste is just on point i got to say. We are soon at your school either way. Scratch that, we are here already. Just park in the parking lot.

Park the car

Walking to school

"As you start to walk out on the way, the way appears."

Good thing it isn't far to school. Just a couple of minutes of walking, what more can you ask for. Ohh isn't that your friends. Wondering what they are talking about, they are just chilling in the corner of the campus. So what are you waiting for, aren't you going to say hello?

Give secret hand shake or Say "What's cooking?"

Give secret hand shake or Say "What's cooking?"

"Life is a matter of choices, and every choice you make makes you."

Wait a minute? Did they just ask you to beat up some guy, or did I hear them wrong? Are you going to join them? He sounds innocent to me, but again what do I know...

Join them or Say no

Join them

"May your choices reflect your hopes, not your fears."

Look's like your joining them, are they walking towards the guy? Oh nevermind, the guy was right around the corner. How ironic.. Damn they are just hitting that guy, join them then. Waaaait, doesn't that guy look familiar?

Stop the fight

Stop the fight

(Your name): "Guys stop it, wait a second"

(Your name Version 42): "Ahh so you remember me? It wasn't enough driving over me, beating me up and now you are going to do it again?"

(Your name): "What are you saying?"

(Your name Version 42): "So he didn't tell you?"

(Unknown): "Maybe now is a better time then never. (Your name) this is (Your name Version 42), i guess you have a lot of catching up to do:"

"Whole screen starts glitching"

Say no

"Don't base your decisions on the advice of those who don't have to deal with the results."

(Your name): "That was the right thing to do, right?"

(Unknown): "Depends, do you remember the phone call?"

(Your name): "Wait what phone call?"

(Your name): "Oh no no no no, are you serious?"

(Unknown): "Karma is a bitch isn't it?"
